What do you know about Bedwyn's Link Scheme?

Come and find out at our Link AGM in Great Bedwyn Village Hall at 6pm on 9 March or look at our new website <https://bedwynslink.org.uk/>

+++++

Last year we completed 238 trips and travelled 5237 miles, mainly taking local people to hospital, doctor, and dentist appointments who can't drive themselves. When we have enough volunteer time we also help with other important tasks (eg shopping, collecting prescriptions).

We have 8 coordinators who answer the Link helpline and organise trips with our 15 wonderful volunteer drivers. Our service covers people in the Bedwyns, Wilton, Froxfield, Shalbourne, the Graftons, St Katharine's, Vernon Dean and anyone registered with the Bedwyns surgery.

Can you give some time to our Link team - answering the phone, driving people to appointments or helping people in their homes? You don't need to commit to regular hours. Do get in touch with us on **07717 006787**
